

# Thematic Areas

- Fundamentals in Engineering and Physical Sciences
- Nanosciences and Nanotechnologies: Applications to Construction, Manufacturing, Energy/Environment, and Health
- New Horizons on Science and Technology – Art & Science Interactions

## Participating Institutes

- Aristotle University of Thessaloniki (Greece)
- University of Belgrade (Serbia)
- Moldova Academy of Sciences (Moldova)
- Mississippi State University
- Texas A&M University
- University of Houston
- Foundation for Research and Technology – Hellas (FORTH)
- National Technical University of Athens (NTUA)
- National Research Council of Italy
- Leffo Physical – Technical Institute (Russia)

# Location

Epanomi
